

## **THE SUMMARY**

### **Adjective Phrases in Dede Korkut Stories**

In this study, the adjectives were examined in Dede Korkut Stories.

In this first part, the adjectives were examined and classed and new adjective types were offered.

In the second part, the adjective phrases were examined and they were examined according to their types and groups. In the study the adjectives that were as a word (qualification, character, demonstrative adjectives, question adjectives and in determinate adjectives) the adjectives that were used some supplements (+IU, +sUZ, +ki, +çA, +IIk, +[ş]Ar and verbal supplements) some adjectives as a group (the numbers, proposition group, adjective phrase and repeating group and the adjectives as a sentence)

In the third part, the results were indicated.

The fourth part is an index. In this part all words and adjectives that were used in Dede Korkut Stories as a group were given in alphabetical order.

In the end of the study were given the bibliography.
