

## **ABSTRACT**

### **CELAL BAYAR'S INTERNATIONAL TRAVELING DURING THE PRESIDENCY OF THE PRESIDENT**

Merve ARSLAN

Master Thesis, Department of History

Supervisor: Professor Dr. Dilşen İNCE ERDOĞAN

2019, XVI + 98 pages

This work contains founder of Democrat Party. Which led Turkish political life to multiparty system, Celal Bayar's, who is also first civilian and third president of Turkish Republic, work trips to foreign countries and effects of these trips on domestic and foreign policy. His presidential process had occurred from 1950, when Democrat Party came to power, until military intervention which made in 1960. Makings and Agreements which had signed in that historical process are mentioned.

In first part of two; It is examined that factors which shaped his political and vocational life which started in Bursa, Umurbey, 1883 and ended in Istanbul, 1986. His beginning in İttihat Terakki, his handlings in an identity of "Galip Hodja", his endless works for his lovely country although those years which had very limited conditions and his diligence that could be an idol for everyone are discussed. In second part, his trips to foreign countries and repercussions, impressions, friendships and gifts are mentioned that he made in his presidential times which he made in between 1950-1960. In this decade, Celal Bayar was very effective in shaping Turkish Republics domestic and foreign policy.
