

NAME and SURNAME: MUSTAFA ÖZDEMİR

TITLE: SÖKE SHARİA RECORD TRANSKRİBE OF NO 275

ABSTRACT

One of most important archives of Ottoman history is Sharia Records. The issue of making of Sharia Records, which gave important information about the period and place they belonged to, is today a major problem. This situation makes it obligatory to depend on a certain method while making use the records. In this study we investigated Söke Records No: 275 which is one of this important records.

The administrative, political, economical and social structure of Söke were investigated referring to there articles.
